

FIRE BOYS ARE IN TRAINING FOR THE SHOW

ARE DRILLING DAILY FOR THE
BIG GYMNASIUM EXPOSITION
ON JUNE 17.

The volunteers of the Tonopah fire department on next Thursday night, June 17th, will give an athletic exhibition at the Eagles Pavilion, which will eclipse anything ever attempted in this line in southern Nevada and should be attended by all who have the interest of this community at heart. The fire ladders have our best wishes for the greatest success possible to crown their efforts in order to equip their gymnasium with the proper paraphernalia for athletic work. It is a most worthy cause and should elicit the co-operation of every citizen in this section, for none are more entitled to our assistance in a financial way than the youngsters who risk life and limb and are always on hand at the first tap of the fire bell to fight the fierce flames that menace and threaten the homes of our people.

The evening's entertainment promises to be a most interesting and enjoyable one. Boxing, a wand drill, wrestling, pyramids and feats on the horizontal bar and rings will be features of the big show and from the manner and interest the lads are taking in their daily exercise and training it is a foregone conclusion that all who attend will be well satisfied with the performance that they give.

BALL TOSSERS FROM BLAIR WILL PLAY TODAY

EXCITING CONTEST IN STORE
FOR LOCAL FANS THIS
AFTERNOON.

Today at the ball grounds at California Heights the aggregation of ball tossers from Blair will cross bats with the team composed from the Volunteer firemen and a sharp snappy contest is in store for those who witness the game.

The Blair team is composed of husky miners who have been practicing diligently for the coming contest and who are counting a head on victory for their team.

The work on the diamond of the local lads needs no comment as they are as strong a team as the state can produce.

A good game is assured and should be well patronized by the local fans.

The line-up of the Tonopah Volunteers is as follows: O'Hara, catcher; Seitz, pitcher; Malley or Osgood, first base; Agnew, second base; Herd, third base; Perry, short stop; Miller, left field; Hatton, center field; Kusache, right field; McNeil and Young, substitutes.

DEPOSITIONS ARE READ IN THE KNOCK CASE

RAPID PROGRESS MADE IN THE
SUIT FOR DAMAGES AGAINST
RAILROAD.

The principal part of yesterday's session of the district court was devoted to the reading of depositions in the case of Knock vs. the Tonopah and Goldfield railroad. Rapid progress was made in the trial and it is expected that the case will be given to the jury in the trial and it is expected that the case will be given to the jury after a couple more sessions.

THIRD FLOOR OF MIZPAH HOTEL TO BE FINISHED

TO BE FURNISHED TO ACCOMMODATE THE PUBLIC IN
A SHORT TIME.

Owing to the impetus of local travel here of late the owners of the Mizpah hotel have decided to finish the interior of the third floor of this fine hostelry and work will be rushed forward as fast as all available means will allow. The call for rooms has been so great of late that night many inquiring for rooms have been turned away. The furnishings have already been ordered and carpenters are now busy finishing the apartments with the oak interiors which previous to this time had been stored away. From present indications the hotel will be crowded for a long time to come and even with the third floor open for occupancy it is doubtful whether the accommodations will meet the rush of people anxious to secure rooms. When furnished the third floor will be in keeping and similar to the second. Messrs. Govan and Brougher are elated over the brighter prospects as they now appear.

HIGH SCHOOL STUDENTS WILL GIVE DANCE

WILL INDULGE IN RECREATION
AFTER STRENUOUS WEEK
OF STUDY.

The students of the high school will give a dance at the close of school Friday, June 18, in Miners Exchange hall. The best of music has been engaged, the floor is in excellent condition and a pleasant time is assured to all who attend. Those in charge will leave nothing undone to make it one of the pleasantest parties of the year.

An admission fee of \$1 will be charged. Ladies free. The proceeds will go to the athletic and library funds.

Everyone is invited to be present to spend a pleasant evening with the high school students after a hard week of final examinations.

NO GREATER LAUGH MAKER THAN "JANE"

RICHARD JOSE'S PLAY PRO-
NOUNCED BY CRITICS TO BE
THE BEST YET.

The lover of artistic music, both vocal and instrumental, will doubtless be pleased to learn of the forthcoming appearance of Richard J. Jose and his company at the Pavilion theater on June 15. Mr. Jose is still conceded the greatest contratenor of the music world and at singing the old songs, is without a peer. His voice retains all its marvelous quality and flexibility and the auditors are still enraptured with the beauty and purity of his upper register. As a special feature this year, Mr. Jose has engaged the talented harpist, Miss Mary L. Fitzsimmons, whose execution on this difficult instrument elicits vociferous applause from the auditors and unstinted praise from music critics. Her appearance will doubtless be a source of pleasure to those who appreciate the highly artistic.

But the delight of the evening will be the presentation of that screaming farce, "Jane," than which no greater laugh-maker has ever been written. It is being given by a specially selected cast of players who have been under the direction of Fred J. Butler of the Alcazar, San Francisco. Already there is a marked interest being manifested and Mr. Jose will doubtless repeat the excellent business accorded him last year.
